WORK EXPERIENCE

State Historic Preservation Intern	Vermont Division for Historic Preservation	2023-
Paid summer internship continuing into the Fall. Main project, finished, was examining municipal zoning bylaws across the state of Vermont and picking out potentially legally problematic historic preservation-related legislation. A deliverable report and accompanying Excel spreadsheet is being used by the VDHP to assist municipalities in revising and improving their bylaws. Other work included documenting and cleaning flood damage at the Senator Justin Smith Morrill Homestead and researching and drafting text for a proposed new historical marker sign.		
Architecture Intern and Assistant	Grove & Dall'Olio Architects	2019-2022
Paid work in architectural surveying, construction drawing preparation, and project conceptualization. Included co-authoring a HABS report and helping to finish and publish a 10-year re-survey of the Town of Bath Historic District in Berkeley Springs, WV. A contemporary house plan drafted from an architect's sketches and notes has been built in Gerrardstown, WV. Work involved use of software including Vectorworks, QGIS, Photoshop, Illustrator, Excel, Acrobat.		
Youth Theater Camp Counselor	Morgan Arts Council	2013-2016
Summer youth theater camp counselor for four summers. Included technical theater assistance and counseling boys ages 5-13.		

VOLUNTEER EXPERIENCE

Town of Bath Historic Landmarks Commission	Berkeley Springs, WV	2020 –
Voted on by the Town of Bath Council in January 2020, and one of only two members who did not resign in May 2021 amid local opposition movement against protections for historic structures. Service is ongoing remotely from Vermont. An online interactive map of Berkeley Springs' architecture history and an Instagram account @berkeleysprings.archhistory are maintained independently from the Commission.		
Morgan County Mapping Project	Morgan County Commission	2013 –
Self-initiated high school volunteer project to correct severely outdated local road and address data in large GIS databases including Google, OpenStreetMap, and HERE, benefitting local tourism and economic development. Morgan County did not have its own central GIS system until 2015 and not even the U.S. Census Bureau had accurate data for the county at the time. Minor updates are still occasionally submitted to OpenStreetMap as of 2023.		
Technical Theater Assistant	Morgan Arts Council	2012 – 2017
Provided technical support in lighting, sound, and film for theater and educational productions presented by the local arts council.		

AWARDS & RECOGNITION
