Programs focused on sustainability, environmentalism, stream monitoring, mountaintop removal, and organic farming.		

CAREER EXPERIENCE

Architectural Historian	R.C. Goodwin & Associates (Frederick, MD)	2024–present
Professional architectural historian at a long-running archaeology and cultural resource management firm.		
State Historic Preservation Intern	Vermont Division for Historic Preservation	May–Dec 2023
Summer internship continuing into the Fall. Main project, finished, was examining municipal zoning bylaws across the state of Vermont and picking out potentially legally problematic historic preservation-related legislation. A deliverable report and accompanying Excel spreadsheet is being used by the VDHP to assist municipalities in revising and improving their bylaws. Other work included documenting flood damage and conducting research for a proposed new roadside historical marker.		
Historic Landmarks Commissioner	Town of Bath (Berkeley Springs) (WV)	2020–present
Voted on in January 2020. Accomplishments include creating a tri-fold pamphlet, an interactive online map, a video, and an instagram account @berkeleysprings.archhistory about the town's historic structures; writing a deed history for every land parcel in the town; monitoring local renovations that run against the Secretary of the Interior's Standards for Rehabilitation and reporting to the Town Council; and helping to propose design review and demolition ordinances and a local sub-grant program.		
Architecture Intern and Assistant	Grove & Dall'Olio Architects (Winchester, VA)	2019–2022
Paid work in producing rehabilitation plans for projects receiving rehabilitation tax credits; producing measured drawings and renderings for a HABS report; and co-writing and publishing a 10-year re-survey of the Town of Bath Historic District in Berkeley Springs, WV. A contemporary house plan drafted from an architect's sketches and notes has been built in Gerrardstown, WV.		
Design Connect	Cornell University	2017–2018
Community planning assistance program. Fall project was a recreation center design for the Village of Trumansburg, NY; Spring project was walking trail signage for the Village of Hamilton, NY.		
Morgan County Mapping Project	Morgan County Commission (WV)	2013–present
Self-initiated volunteer project to correct severely outdated local road and address data in large GIS databases including Google, OpenStreetMap, and HERE, benefiting local tourism and economic development. Morgan County, WV did not have its own central GIS system until 2015 and not even the U.S. Census Bureau had accurate data for the county at the time. Minor updates are still occasionally submitted to OpenStreetMap.		

RECOGNITION

Harold & Leslie Bright Scholarship, Eastern WV Community Foundation	2014 & 2016
Merit awards to attend Fallingwater Residency Studio 2 (2016) and to support the county mapping project (2014).	
Volunteer of the Year, Morgan County Chamber of Commerce	2014
In recognition of 10,000+ edits submitted to GIS companies for the county mapping project.
