Programs focused on sustainability, environmentalism, stream monitoring, mountaintop removal, and organic farming.		

## EXPERIENCE

<b>Architectural Historian</b>	<b>R.C. Goodwin &amp; Associates (Frederick, MD)</b>	<b>Jun–Oct 2024</b>
Professional architectural historian at an archaeology and cultural resource management firm. Work included surveying, research, writing, and report preparation for Section 106 review and determinations of National Register eligibility.		
<b>National Register Consultant</b>		<b>2024–present</b>
Individually contracted to write a National Register of Historic Places nomination package for an 1860s one-room schoolhouse in Berkeley County, West Virginia.		
<b>Historic Preservation Intern</b>	<b>Vermont Division for Historic Preservation</b>	<b>May–Dec 2023</b>
Summer internship continuing into the Fall. Completed a comprehensive report of municipal historic preservation bylaws across the State of Vermont. Other work included documenting flood damage and conducting research for a roadside marker.		
<b>Historic Landmarks Commissioner</b>	<b>Town of Bath (Berkeley Springs, WV)</b>	<b>2020–present</b>
Voted onto a Certified Local Government historic preservation commission by the Town Council. Accomplishments include creating a tri-fold pamphlet, an interactive online map, a video, and an Instagram account about the town's historic structures; writing a deed history for every parcel in town; monitoring renovations that run against the Secretary of the Interior's Standards for Rehabilitation; and helping to propose design review and demolition ordinances and a local sub-grant program.		
<b>Architecture Intern and Assistant</b>	<b>Grove &amp; Dall'Olio Architects (Winchester, VA)</b>	<b>2019–2022</b>
Paid work in producing rehabilitation plans for projects receiving rehabilitation tax credits; producing measured drawings and renderings for a HABS report; and co-writing and publishing a 10-year re-survey of the Town of Bath Historic District in Berkeley Springs, WV. A contemporary house plan drafted from an architect's sketches and notes has been built in Gerrardstown, WV.		
<b>Design Connect</b>	<b>Cornell University</b>	<b>2017–2018</b>
Community planning assistance program. Fall project was a recreation center design for the Village of Trumansburg, NY; Spring project was walking trail signage for the Village of Hamilton, NY.		
<b>Morgan County Mapping Project</b>	<b>Morgan County Commission (WV)</b>	<b>2013–present</b>
Self-initiated volunteer project beginning in high school to correct severely outdated local road and address data in large GIS databases including Google, OpenStreetMap, and HERE, benefiting local tourism and economic development. Morgan County, WV did not have its own central GIS system until 2015, and updates such as the under-construction U.S. 522 Berkeley Springs Bypass are still occasionally submitted manually to OpenStreetMap.		

## RECOGNITION

<b>Harold &amp; Leslie Bright Scholarship, Eastern WV Community Foundation</b>	<b>2014 &amp; 2016</b>
Merit awards to attend Fallingwater Residency Studio 2 (2016) and to support the county mapping project (2014).	
<b>Volunteer of the Year, Morgan County Chamber of Commerce</b>	<b>2014</b>
